

The Science Academy STEM Magnet Student Parking Permit Application

Last Name _____ First Name _____ Grade _____

Student's Cell Phone # _____ Parent's Cell Phone # _____

Student's California Driver's License # _____ Expiration Date _____

Registered Owner of Vehicle _____

Address of Registered Owner _____

Make of Vehicle _____ Model _____ Color _____

License Plate # _____ Copies of the following must be provided:

1. A copy of student's current valid California Driver's License
2. A copy of the current valid vehicle registration
3. A copy of the current valid car insurance identification card with Student Driver's name included.
4. Copy of most recent Academic Progress Report

Parking applicants and their Parents/Guardians must read and agree to all of the terms and conditions outlined below. Failure to follow these rules and regulations may result in the loss of parking privileges and possible further disciplinary action. Students are reminded that parking is a privilege, not a right. Students are expected to adhere to all California Department of Motor Vehicles laws pertaining to the operation of vehicles while at The Science Academy STEM Magnet. Failure to do so will result in the loss of permission to operate and/or park a vehicle on school property, citations, and disciplinary consequences. These rules and regulations have been developed to maintain the safe and orderly flow of traffic on The Science Academy STEM Magnet campus.

The Science Academy STEM Magnet Student Parking Permit Guidelines

GPA: Students must have a **minimum of 3.0 GPA** with **no U's in Work Habits or Cooperation**.

ATTENDANCE AND TARDIES: Students must have fewer than 3 unexcused absences and/or tardies per each 5-week reporting period or they will lose their parking privilege.

BEHAVIOR: Students may not have any disciplinary referrals (either serious level infraction or habitual infractions).

LIABILITY: Vehicle owners are required by California law to carry liability insurance. The Los Angeles Unified School District and The Science Academy STEM Magnet assume no responsibility for damage or theft to vehicles. Students park on campus at their own risk. There is NO security provided.

SAFETY: This is the prime consideration in driving. Student drivers are required to follow all California vehicle codes while operating their vehicle on campus. Students who operate within the parking lot in an unsafe or reckless manner or jeopardize the safety of others will immediately lose all parking privileges.

PARKING: Students may only park in the Northwest corner of the parking lot. A valid parking permit must be **displayed at all times in the front windshield on the driver's side**. Vehicles without a permit are subject to ticketing, towing or both. Any student caught using a reproduced, counterfeit or copied permit will immediately lose their parking privileges for the balance of their time at The Science Academy STEM Magnet.

SPEED LIMIT: The limit is 5 miles per hour in the parking lot.

OFF LIMITS: Students are not allowed to return to their cars throughout the day. Students are not to sit in cars parked in the parking lot during the school day. Loitering in the lot will not be permitted. This includes lunch periods. Your car is not a locker. If you need to go to your vehicle for any reason during the school day, you must obtain permission from your Administrator Only.

NON-TRANSFERABILITY/RESERVING SPOTS: Parking permits are non-transferable. The penalty for the violation of this requirement is the confiscation of the permit and permanent loss of parking privileges. No student is allowed to "reserve" a space during the year.

The Science Academy STEM Magnet Student Parking Permit Guidelines

PERMISSION FORM

TO BE SIGNED BY PARENT/GUARDIAN & STUDENT DRIVER

One violation of these guidelines will result in a written warning. More than one violation will result in the revoking of the Parking Permit and the privilege of parking in the campus parking lot.

By my signature, I have read, understand, and accept ALL parking and driving regulations of The Science Academy STEM Magnet.
